

Testing for HIV

as part of an NHS Health Check in City & Hackney

From October 2023,
everyone who has their
blood tested as part of
their 40+ NHS Health
Check will be tested
for HIV.

It is important to get diagnosed
early as treatment is life-saving
and free from the NHS.

If you do not want to be tested,
please let a member of staff know.

If you do not need a blood test as
part of your NHS Health Check, but
do want to be tested for HIV, please
let us know.

Your results are confidential.
